

- The **Opportunity Clinic** is a restorative justice program for **ALL young adults** who have been cited for possession and/or consumption of alcohol or other drugs.
- Encourages participants to **take accountability and responsibility** for their choices, the impact and the harm associated, and reflect on the lessons learned. Turning the problem into a learning opportunity, deterring from future offenses.

**Cost Effective | No Waiting | No Drive Time Involved |
Available 24/7/365 | You're In Control**
